

How is the weather like today?

Present continuous reading.

Ben: Hi, Laura! How are you?

Laura: Hello, Ben. I am good, thank you. Tell me, do you like Sao Paulo? How is the **weather** like there?

Ben: This is a beautiful place and the **weather today** is perfect, too. **It** is sunny and hot as always! It was **raining** this morning, but **now** it is great.

Laura: Oh, that's cool! Yesterday, it was **snowing** here in Vancouver, but **today** **it** is just a little cold and cloudy. I heard that tonight **it is going to snow** again, so I am **wearing** warm clothes and I am **eating** marshmallows.

Ben: Yes, that is a good idea. With this weather I'm not **drinking** hot drinks. Are you **staying** with your mom?

Laura: Yes, this week, we are **cooking** seafood and **watching** movies. Are you **having** fun there alone?

Ben: Yes! This place is awesome! I am not **going** back to Vancouver this month.
