My new house is not very big but we have enough space for everyone here.

There are two bedrooms for me and my parents and there is another room we use as a study room. There is a big and modern kitchen **downstairs** and a cozy living room where we watch TV and play board games. There are many windows in the house, so there's a lot of light during the day. # Where Do You Live?

**Jeewhan Yoon**

I'm Jeewhan Yoon from the city of Busan, in Korea. My wife and I live in a small house with two floors and a garage. There are two bedrooms, a living room, a small kitchen, and one bathroom.

My favorite room is the living room. There's a big sofa, and I usually read there. We also watch movies on TV in the living room.

One thing I don't like: we don't have a garden.

**Tina Williams**

I'm Tina Williams, and I'm from Seattle, in the United States. I live in a small white house with a two-car garage.

Downstairs, there's a living room, a dining room, and a nice large kitchen with large windows and a view of the garden. There are two bedrooms and one bathroom upstairs. There's also a very small office—my favorite room. I study there.

It's small, but I love my house!

**Eduardo Calero**

My name is Eduardo Calero, and I live in Caracas, Venezuela. My family has a really nice apartment on the eighth floor. There's an elevator, of course, and there's a garage on the first floor.

We have three bedrooms and two bathrooms. My brother and I have our own rooms. The kitchen is small, but it has beautiful new appliances. The living room is my favorite room, though, because it has a fantastic view of the city of Caracas.
